

**CHAIR OF  
THE COORDINATING BUREAU  
OF THE NON-ALIGNED MOVEMENT**

**STATEMENT BY THE DELEGATION OF THE REPUBLIC OF AZERBAIJAN, ON  
BEHALF OF THE NON-ALIGNED MOVEMENT QUARTERLY OPEN DEBATE OF  
THE SECURITY COUNCIL ON “THE SITUATION IN THE MIDDLE EAST,  
INCLUDING THE PALESTINIAN QUESTION”**

*New York, 19 January 2022*

**Madam President,**

1. I am honored to speak on behalf of the 120 Member States of the Non-Aligned Movement.
2. At the outset, I would like to congratulate Norway on its successful presidency of the Security Council this month and to express our gratitude for the opportunity for the Non-Aligned Movement to present its position on the question of Palestine, which has historically constituted an issue of concern and vital importance to the Movement and remains one of the longest-standing items on the Security Council’s agenda.

**Madam President,**

3. During the Online Mid-term Ministerial Conference of the Non-Aligned Movement, held on 13-14 July 2021, under the theme “*Non-Aligned Movement at the center of multilateral efforts in responding to global challenges*”, the ministers adopted a political declaration, stressing, *inter alia*, that a just, lasting and peaceful solution to all aspects of the question of Palestine, based on internationally endorsed parameters enshrined in the relevant United Nations resolutions, must remain a priority on the Movement’s agenda and an ongoing responsibility of the United Nations until it is satisfactorily resolved in all its aspects in accordance with international law and the relevant United Nations resolutions.
4. In this regard, the Member States of the Movement once again reaffirm that this ongoing historic injustice, with the over 54-year Israeli occupation of the Palestinian territory and other Arab territories at its core, continues to pose a serious threat to regional and international peace and security, is the source of innumerable human rights violations and violations of international humanitarian law, and requires urgent attention and action, in accordance with international law, the relevant United Nations resolutions and the Charter of the United Nations. The international community cannot remain paralyzed on this issue and cannot accept arguments that this issue is “intractable” or that peace “is not possible” at this time. The international consensus on a just solution is firm and clear, and

we have multilateral political and diplomatic tools to promote the achievement of a peaceful resolution and must use them responsibly and urgently.

5. The Security Council in particular has a clear responsibility for ensuring the maintenance of international peace and security. It must uphold its Charter duties and must act to implement its own resolutions, which constitute the foundation for a peaceful, just and lasting solution to the conflict. The Question of Palestine cannot be the exception to international law and to the authority of the Security Council. We therefore remain deeply concerned that, for too long, this organ has been unable to fulfill its mandate on this important question, particularly due to the use of the veto by one permanent member. The members of the Movement call on the Security Council to overcome its paralysis and fulfill its Charter duties towards the Palestine question, restoring credibility to this organ and upholding its obligations towards the achievement of a just and peaceful solution to this protracted conflict and tragic injustice.

**Madam President,**

6. The Non-Aligned Movement still believes that Security Council resolution 2334 (2016), which reaffirmed the Security Council's many relevant resolutions on the matter, provides the most effective and viable path to peace, setting forth the essential requirements and parameters for the achievement of a just outcome on the basis of the two-State solution based on the 1967 lines, in accordance with the long-standing terms of reference of peace endorsed by the international community, namely, the relevant United Nations resolutions, the Madrid principles, including the principle of land for peace, the Arab Peace Initiative and the Quartet road map, and ensuring the fulfillment by the Palestinian people of their inalienable rights, including to self-determination and the independence of the State of Palestine, with East Jerusalem as its capital, and a just solution for the plight of the Palestine refugees in accordance with General Assembly resolution 194 (III).
7. We therefore reiterate NAM's call for the full respect for resolution 2334 (2016) and for the effective implementation of its provisions and obligations, particularly by the occupying Power, and including in terms of States' obligations with regard to distinction, which is a matter central to ensuring accountability. We also underscore the need for the intensification of international and regional diplomatic efforts aimed at bringing an end to the Israeli occupation that began in 1967 and achieving a just, lasting and comprehensive solution, as also called for in resolution 2334 (2016) and call on the Security Council to examine all practical ways and means to ensure its implementation, as it has pledged to do.

## CHAIR OF THE COORDINATING BUREAU OF THE NON-ALIGNED MOVEMENT

8. Similarly, the Member States of the Movement continue to call for full respect for, and the implementation of, all other relevant resolutions, including with regard to the complete cessation of all Israeli settlement activities and the status of occupied East Jerusalem. Respect for UN resolutions and international law would inherently create the necessary conditions for bringing an end to the occupation, justly resolving the conflict in all its aspects and making Palestinian-Israeli peace and security a reality for the benefit of both peoples, the region and the international community as a whole.
9. It is imperative that action be taken immediately, in line with international law and the relevant United Nations resolutions, to redress the situation on the ground, which has been marked by rising violence, particularly settler violence and terror, and tensions that must be urgently de-escalated, and to foster an appropriate environment in the pursuit of peace. That must include a halt to all unilateral and unlawful measures, which serve only to embolden Israel to further pursue its illegal policies and practices in the occupied Palestinian territory, including East Jerusalem. Actions that violate the Security Council resolutions and the historic and legal status quo of Jerusalem and its holy sites are provocative and dangerous, destroy the prospects for peace and should not be supported or celebrated by any country. Threats of annexation by Israeli officials and continued settlement activities and forced displacement of Palestinian families from their homes and lands must be unequivocally condemned. Any measures taken in that regard must be forthwith rejected as null and void and without any legal effect and must be met with firm measures of accountability for such grave breaches, including by lawful countermeasures.
10. The Non-Aligned Movement calls for full respect for the historical status quo at the holy site and for the Hashemite historical custodianship exercised by His Majesty King Abdullah II ibn Al Hussein, King of Jordan, over the Christian and Muslim holy sites in the city and for the protection of the sanctity of the holy sites.
11. The Non-Aligned Movement commends the efforts of His Majesty King Mohammed VI as Chair of the Al-Quds Committee of the Organization of the Islamic Cooperation. The Movement welcomes the “Call for Al Quds/Jerusalem” signed in Rabat on 30 March 2019 by His Majesty King Mohammed VI of Morocco and His Holiness Pope Francis, to stress the important role that Al Quds/Jerusalem plays as a city of tolerance and mutual respect among the people of the three monotheistic religions and the need to preserve its specificities and features as a city of peaceful coexistence.

**Madam President,**

12. In relation to the Gaza Strip, the situation remains of great concern to the Movement, particularly the grave humanitarian situation, which regrettably continues to deteriorate day by day. The Non-Aligned Movement reiterates its call for the complete lifting of the

illegal Israeli blockade, which continues to impose untold humanitarian, social and economic suffering on more than 2 million Palestinian children, women and men in Gaza. This crisis must be comprehensively addressed in accordance with international law, including international humanitarian law and international human rights law, and the relevant United Nations resolutions, and in the context of the unequivocal calls and overriding responsibility to bring an end to the illegitimate, belligerent Israeli foreign occupation of the Palestinian territory, including East Jerusalem, since 1967.

13. In the absence of a solution, the Member States of the Movement reiterate their call for the continued provision of the needed humanitarian and socioeconomic assistance to the Palestinian people, including the Palestine refugees. The Non-Aligned Movement therefore stresses the importance of the United Nations Relief and Works Agency for Palestine Refugees in the Near East (UNRWA), along with other United Nations agencies and international organizations, in alleviating their plight, and calls for full support for UNRWA's mandate to ensure the continuity of its vital programmes and its contribution to regional stability. In light of the continuing financial shortfalls, we urge the international community to provide UNRWA with sufficient and predictable funding to ensure the continuity of its indispensable operations in all fields of operation.
14. As Israel has clearly abdicated on its obligations as the occupying Power to protect the Palestinian civilian population, as prescribed by the Fourth Geneva Convention 1949, we also reiterate our long-standing call for international protection for the Palestinian people. This is urgent in order to alleviate the dire state of insecurity of the occupied population and prevent the loss of more innocent human lives. Failure to do that can lead only to further escalations and the tragic loss of more civilian lives.
15. In this connection, we reiterate our grave concern about the lack of accountability for all the violations committed by Israel, many of which may amount to war crimes. The absence of justice only fosters greater impunity, leads to the recurrence of crimes and destabilizes the situation on the ground, thereby further diminishing the prospects for peace. We continue to call for international action, particularly by the Security Council, to ensure a cessation of, and accountability for, the violations that are being systematically committed by Israel against the Palestinian civilian population under its occupation. We reiterate that Israel must comply with its duties and responsibilities under international law and must be held to account if it continues its blatant contempt of this organ and its international legal obligations.

**Madam President,**

16. With regard to the situation in the occupied Syrian Golan, the Non-Aligned Movement reaffirms that all measures and actions taken, or to be taken, by Israel, the occupying

Power, such as its illegal decision of 14 December 1981 that purports to alter the legal, physical and demographic status and the institutional structure, as well as the Israeli measures to apply its jurisdiction and administration there, are null and void and have no legal effect. In this regard, and in line with our principled position, we once again demand that Israel abides by Security Council resolution 497 (1981) and fully withdraw from the occupied Syrian Golan to its 4 June 1967 borders, in implementation of Security Council resolutions 242 (1967) and 338 (1973). In addition, we reiterate our condemnation of the unilateral and arbitrary proclamation by the United States of America on "Recognizing the Golan Heights as part of Israel" and renew our call on the Security Council to unequivocally condemn this provocative act.

17. Moreover, the Member States of the Movement emphasize that Israel must withdraw from all Lebanese territories, including Sheba'a Farms, the Kfar Shouba hills and the Lebanese part of Al-Ghajar village up to the Blue line, in accordance with the relevant United Nations resolutions, in particular Security Council resolution 1701 (2006).
18. To conclude, we seize this opportunity to reiterate our call for the international community to act collectively, with responsibility, to uphold international law and to exert and intensify all necessary efforts in support of the just Palestinian cause, the ultimate goal of which is to bring an end to this historic and grave injustice. We reaffirm our commitment to promoting a just, lasting, comprehensive and peaceful solution to the question of Palestine in all its aspects, including for the plight of the Palestine refugees, and reaffirm our support to the Palestinian people in their struggle to achieve justice and fulfill their inalienable rights and legitimate national aspirations, including to self-determination, freedom and independence in their sovereign and independent State of Palestine, with East Jerusalem as its capital.

**I thank you, Madam President.**
